Support for Children

Kids feel better. Parents feel better.

Helios Care is excited to provide a memorable day of fun and learning about healthy ways to grieve for children who have experienced the loss of a loved one.

A camper does not need to be experiencing difficulties with grief at home or school to attend Camp Forget-Me-Not. Grief changes for children as they age. They may feel the absence of their loved ones differently at special times in the future, such as graduation, holidays, or birthdays. We teach children how to understand the BIG feelings of grief, now and in the future.

Visit the Helios Care website for more information, FAQs, and registration for Camp Forget-Me-Not.
